

Sharon Subel-Seemert for St. Germain Town Treasurer

She may be new to the political scene, but Sharon Subel-Seemert has spent an active 24 years in St. Germain, serving in many community service venues.

A Wisconsin native, Sharon grew up in the Muskego area and attended Muskego High School. After graduating, she received her nursing degree from Milwaukee County Medical Complex School of Nursing.

She worked in intensive care nursing, cardiac nursing and worked for 10 years at St. Luke's Medical Center in Milwaukee in the Cardiac Catheterization Lab. She spent two years as a nurse clinician for Cardiology Physician's Group. She also worked for several private practice physicians. She is currently working for Ascension Home Health and has been there for 14 years.

"I love my patients. They are amazing!" she enthusiastically said.

In 1997 Sharon had the opportunity to move to St. Germain, and she seized the chance. Her family had a cottage in the vicinity when she was a child, and she fell in love with the area.

"As a member of multiple service organizations, I find that serving as the town treasurer is another way for me to serve the community," Sharon said when asked why she is running.

Included in her long list of volunteer roles, she was the president of the Star Lake/Sayner Lionesses for three years. She is a volunteer on the St. Germain Fire Department and Rescue

Service, both in the past and currently. Sharon is a very active member of the St. Germain Evangelical Free Church.

When asked why she is running for Town Treasurer, she responded, “As a parent, I find that I am used to managing a budget, have frugal spending habits, and I watch where the money goes.

“I envision as the town treasurer I will work alongside the town board members. I want to help facilitate St. Germain and maintain our excellent way of life, ensuring it lasts well into the future.

“I encourage you to contact me if you have any questions, I will be happy to answer them. I am anxiously looking forward to working for the town and becoming an active part of St. Germain’s future. I promise I will give it 110%!”
