Motion Waisbrot, second Seidl:  
*“I move that the chairman of the St. Germain Town Lakes Committee communicate this motion to the **WDNR warden supervisor and to the Vilas County Sheriff** to report that WDNR Boat Patrol Program supported by WDNR grant funds to employ a part-time trained and certified officer has been voted down in all but one lake District in the Town of St. Germain partly through a vigorous and determined anonymous group effort.*  
  
*This information is to be communicated in writing for the benefit of transparency and to create and verify a record of suspicious and apprehensive opposition to the WDNR grant funded Boat Patrol Program offered by the State of Wisconsin by 4 out of 5 of the lake organizations in the Town of St. Germain.*  
  
*This was in lieu of enforcement of boating laws by WDNR wardens and the Recreational Officer with the Vilas County Sheriff’s Department which is now not being provided. We are asking your advice on how to proceed so we can proclaim that **“These lakes are patrolled for your safety”.**“*
