Town Board supports project -Thanks! On Monday, March 8th, the St. Germain Town Board passed the motion to develop a steering committee to deal with the needs of bringing the Red Brick Schoolhouse Restoration to a historical status. A special account will be set up to accept tax-deductible donations specifically for the restoration of the Red Brick Schoolhouse.

We applaud this move and vow to work together with the Board and community members to record the history and do all that is needed to restore the building to the beauty of the past. We invite you to join us!
