Our Mission: To preserve and protect our heritage through the restoration of the Red Brick Schoolhouse of St. Germain. To honor the families who deeded the land, those pioneers that built the building, the teachers who taught, the children who learned, and all of us who admire their strength. We will do this and not add to the tax burden of the residents.

Can you help? If you just have a short bit of time or want to get involved more- just contact us to help on any of the help listed below:
 Cleaning, painting, rummage sale donations, brooms, cleaning supplies, or stamping, folding or offer to help print our monthly newsletters. We need help sign making, woodworking, framing, or matting school pictures. Carpet donation for lower level. We need you to go through your pictures and share some of your family history with us, (All originals will be returned). We need help with the weekly garage sale or your name if you or your children went to school in St Germain anytime in the 1900 to 1997. We also need recipes from Days Gone By Cookbook and your attendance at our fundraisers. If you can't attend, share the info with three of your friends or neighbors- THAT will help a lot! Most of all we want to hear from YOU- if you just share your support- that will help us succeed! Thank you one and all- you are great Friends of the Red Brick Schoolhouse!
