

The Recycling Center is open to Town of St. Germain residents and property owners only. It is located at the end of Pedycourt Road off Highway 155. The facility maintains separate containers for the following recyclable materials:

### **DISPOSAL ITEMS ACCEPTED**

- 1 - Clean brown cardboard with staples removed.
- 2 - Plastics, tin cans, clear and colored glass and aluminum.
- 3- Paper separated as follows: - Newspaper  
- Shiny papers, (ads, magazines etc).  
- Office paper
- 4- Household garbage. - Garbage must be disposed of within a Town garbage bag which can be purchased from the attendant. This allows us to continue to operate the facility.
- 5 - Waste/drain oil - Must not be mixed with other substances.
- 6 - Antifreeze

Under no circumstances will the recycling center accept any toxic chemicals or similar waste. Construction materials, brush, appliances and similar waste may be taken to the Vilas County waste facility located on County Highway G.
